ALL-COUNTY INFORMATION NOTICE I-45-81

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: REVISION OF FORM LIC-181, LICENSING OF FACILITIES FOR ADULTS
AND CHILDREN - MONTHLY STATISTICAL REPORT

REFERENCE: DEPARTMENTAL MANUAL, SECTION 26-712

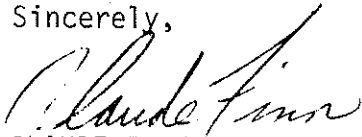

Effective July 1, 1981 the Community Care Licensing Division of the State Department of Social Services will assume responsibility for the collection and compilation of most of the statistical information currently collected on the monthly statistical report on Licensing of Facilities for Adults and Children (LIC-181). However, statistics relating to Family Day Care Home (810) and Foster Family Home (711) will continue to be collected on LIC-181. If bills now in the Legislature are passed eliminating the requirement that Family Day Care Facilities must be licensed, counties will be notified how to report by another all county information notice at that time.

Beginning July 1, 1981, county welfare departments will be required to report only information describing licensing activities performed by the county regarding two types of facilities. Therefore, the statistical report, Form LIC 181 is being revised to reflect these changes in reporting requirements. Counties should use the revised Form LIC-181 (dated 7/81) for reports beginning with the July 1981 report month, but should continue to report through the June 1981 report month using the existing form, Form LIC-181 (4/80).

Revised reporting instructions are being developed. These reporting instructions and the revised report form will be placed in the Statistical Reports Manual, Section 26-712, as soon as administratively feasible. A supply of the revised forms can be ordered in the usual way from the Department of Social Services warehouse. Orders should be limited to one year's supply.

If you have any questions about reporting on this form, please contact David Webber at (916) 323-2392.

Sincerely,
